When you build the account, at the SSID line only type in the first 4 digits, then hit the magnifying glass next to the block. It will show you all the possible accounts to use.

Do you do financial advise also? You're hired!

Ok, this is the info I had from Petersen on my TA...I assume it is what I use? Why does it not like the SSID?

You, as a Superfund employee have to build the account. But you should be able to find it.

Let me know if you don't see it.
